A CAMPBELL GRAY HOTEL

Golf has been played at The Machrie since 1891.

Designed by Willie Campbell and more recently modernised by course architect DJ Russell, The Machrie is now a world renowned Championship Golf Links, rated one of the top twenty golf courses in Scotland by Golf Digest.

It combines the very best of a traditional, historic links course from a previous age, with a modern links. The need for thought, imagination and creative shot-making has not changed throughout the years and carries as much of a premium over sheer power now as it did 130 years ago.

Opened in late Summer 2018 after a complete renovation and expansion, The Machrie Hotel features 47 beautifully designed rooms, suites and lodges, some with their own outdoor terraces and stunning views across the Links.

Voted Scotland's Hotel of the Year 2020, The Machrie provides guests with the perfect place to meet and relax including the impressive restaurant, 18, with panoramic sea views.

Other than our stunning 18-hole Championship Links, we also have the Wee Course, a six-hole, par-3 course which can be played from different tees. A first-class short game area with putting green that allows you to test all the shots you can ever imagine needing on the course. Our all-weather, 5-bay driving range is accompanied by an indoor golf studio which includes a Trackman Golf Simulator to fully analyse your swing and finally, the beautiful Hebrides putting course.
