THE
MACHRIE
ISLAY

Designed by Willie Campbell and more recently modernised by course architect DJ Russell, The Machrie is now a world-renowned Championship Golf Links.

As well as being recognised in the top 10 resorts in the UK, The Machrie is ranked as one of the best golf resorts in the world by Today's Golfer in their 'Golf World Top 100' list.

It combines the very best of a traditional, historic links course from a previous age, with a modern links. The need for thought, imagination and creative shot-making has not changed throughout the years and carries as much of a premium over sheer power now as it did 130 years ago.

Opened in late Summer 2018 after a complete renovation and expansion, The Machrie Hotel features 47 beautifully designed rooms, suites and lodges, some with their own outdoor terraces and stunning views across the Links.

Voted Scotland's Hotel of the Year 2020, The Machrie provides guests with the perfect place to meet and relax including the impressive restaurant, 18, with panoramic sea views.
